Rob James  
Managing Director – Direct Corp Pty Ltd  
PO Box 295  
Mittagong NSW 2575

Dear Mr James,

**Renewal of Direct Pallets BioMulch Resource Recovery Order & Exemption**

I am writing in relation to your application for a resource recovery order and resource recovery exemption for Direct Pallets BioMulch.

The Environment Protection Authority ('EPA') received your response dated 20<sup>th</sup> April 2018 accepting the conditions of the draft documents. I am pleased to enclose a finalised copy of *The Direct BioMulch order May 2018* and *The Direct BioMulch exemption May 2018*, with minor changes made as discussed.

The conditions set out in the order and exemption are designed to minimise the risk of potential harm to the environment, human health or agriculture, although neither the order nor the exemption guarantee that the environment, human health or agriculture will not be harmed. The liability for any harm rests with the person who causes or permits the application of the substance to land.

The order and exemption will commence on 22 May 2018 and are valid until 22 May 2020, or until revoked by the EPA by notice in writing at an earlier date.

Please note, you must notify the EPA within seven days of becoming aware that you have not complied with any requirement of the order or exemption. Please send information on non-compliances to [waste.exemptions@epa.nsw.gov.au](mailto:waste.exemptions@epa.nsw.gov.au).

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Henry Moore', written over a light blue horizontal line.
